

Vocational Nursing Conditions of Enrollment

We are thrilled that you will be enrolling in the Schreiner University Vocational Nursing Program. We pledge our best efforts to prepare you to take the licensing examination required by the State of Texas.

Although the school of Vocational Nursing at Schreiner University is fully accredited, the Legislature of the State of Texas has determined the qualifications of Vocational Nurses through the "Vocational Nurses Act." The Board of Vocational Nurse Examiners is responsible for carrying out the provisions of the Act. This Board must review the qualifications of those who graduate from accredited programs and determine which are qualified under the Act to take the State Vocational Nurses Examination. The final decision is the responsibility of the State Board and not that of Schreiner University.

We ask you to indicate by your signature below that you have read and understand the conditions detailed above.
