

The Schreiner Core- BSN

The BSN degree requirements include a General Education Core Curriculum, which is designed to provide a solid foundation for college education. It is common across degrees, and is separated into categories. The required number of credit hours from each category is listed below, along with the courses that fulfill that requirement. Any courses not listed in the category must be evaluated by the Registrar.

Analytical Abilities 6 hours

BIOL	1102	Introduction to Biology Laboratory
BIOL	1301	Concepts of Biological Science
BIOL	1400	Human Biology
BIOL	1405	Environmental Science
BIOL	1407	Behavioral Biology
