Texas

Additional Information:

The Vocational Nurse plays an important role in today's health services by providing patient care to all age groups. Working under the direction of a physician or registered nurse, the Vocational Nurse is an important member of the health care team. Career opportunities are numerous for the Vocational Nurse as the health care field is rapidly expanding. The Schreiner University Vocational Nursing Program recognizes today's need for well-trained nurses and offers excellent career preparation.

Graduates of the Schreiner University Vocational Nursing Program are in great demand and receive excellent salaries. Each year our graduates are hired by leading hospitals and health care facilities. Most important, the personal and professional rewards are many in a field where good nursing skills are appreciated and recognized. Vocational nursing is a career worth going back to school for - if you are interested in a career of helping people, you owe it to yourself to look into the opportunities at Schreiner University.
