

NET Partner Document Upload Instructions

1. Save your document to your computer only as a PDF or JPEG file that is a file size of 25MB or less.
2. Login to SchreinerOne at <https://info.schreiner.edu/ICS/>
3. Click the "Students" tab at the top.
4. Click the "Financial Aid" link on the left side.
5. Look for the "NET Partner" link in the center.
6. After the new site opens, ensure the correct "Current Award Year:" is selected at the top of the page.
7. Click the Menu icon at the top and click "Required Documents".
8. "Upload it now!" will appear next to the documents you are able to upload.
9. Click the Browse button, select your file, and then click the Upload button.
10. Confirm that you receive a message that says "Your file was uploaded successfully..."
If you do not receive this message, you will need to try again.
11. The "Upload it now!" option will disappear next to the document on your NET Partner home screen and the Status will change to "Not Reviewed".
12. After the Financial Services department has reviewed the document, the status will change to "Received", "Incomplete", or back to "Not Received" if the document uploaded was incorrect.
13. If the status returns to Not Received, the "Upload it now!" option will reappear to allow you to upload the corrected document.

Documents may also be faxed to (830) 257-3233, sent by postal mail, or hand delivered to the Financial Services department in the Welcome Center. However, to ensure the most secure and timely receipt and processing of your documents, you are encouraged to use your NetPartner account.
